

### **What does the Welcome Center do?**

- **The Welcome Center Hildesheim is a central point of contact for all matters concerning professional integration for people who have come to Hildesheim. Together with other organizations and cooperation partners, we support you in getting into work or job trainings.**

### **The Welcome Center supports you...**

#### **...around the job**

- **Help with the recognition of your foreign degrees (and certificates)**
- **Clarification together with you, which qualifications and further education are helpful for you**
- **Support in finding an internship, apprenticeship or job**

#### **.....round about integration**

- **Information procurement and referral advice on residence titles**
- **Advices and perspectives for immigrants**

#### **...around school topics**

- **Information about public schools, vocational schools and universities**
- **Support in finding an internship, apprenticeship or job**

#### **...all about German courses**

- **We support you on your way to suitable language courses and clarify which courses are suitable for you**

#### **...about living and housing in Hildesheim**

- **We advise you on many topics - from A as application to Z as ZDF , in order to facilitate your life in Hildesheim.**
